30<sup>th</sup> March, 2009

Inertia are extremely excited to announce the signing of a deal for Melbourne prodigy **Gotye** to distribute his highly acclaimed back catalogue. Titles include 2004's '**Boardface**', 2006 breakthrough '**Like Drawing Blood**', and 2007 remix album '**Mixed Blood**'.

Achieving gold sales for his universally heralded masterpiece '**Like Drawing Blood**', winning a **2007 ARIA Award for Best Male Artist**, taking home **AMP's** prestigious **Red Bull Prize** for outstanding potential, and having '**Like Drawing Blood**' crowned **Triple J's Album Of The Year**; Gotye is inarguably one of the country's most beloved talents.

Like a newfound **Beck** (minus the self-conscious satire) Gotye conjures tunes from the most unlikely places; from **Phil Collins**-style yacht rock, to Tijuana brass-flavoured orchestral pop, to **DJ Shadow**-style sample layering excursions.

Set for simultaneous reissue on **4th April** though **Samples 'N' Seconds / Inertia**, Gotye's body of work will provide the perfect introduction to his unique style and unrivalled sound.
